I enjoyed the budget planning in the program because it made me feel like I had an understanding of how the real world works and how to budget while planning trips or a party.

-Grade 7 Student

JA programs are available at no cost to educators, youth or parents

- Digital classroom resources available through the JA Campus to enhance the students' learning experience
- Programs may occur in-person or virtually (based on location)
- Program length is flexible and can range from 2-6 hours
- By running the program with their class, educators can facilitate activities at their own pace to accommodate/allow for integration into instructional time *and* achieve curriculum objectives and learning goals
- JA volunteers who facilitate the program share their knowledge and perspectives relevant to the activities
- Youth gain new skills and can learn independently with the self-directed online program

Contact your local JA office to register and learn about opportunities in your community.

Visit janovascotia.ca to learn about national JA program options for student in grades 3-12.

Register for an online program or access the JA bite-sized learning experiences at jacampus.org.
