

# SKILLED TRADES SUMMIT

## Work Readiness | Entrepreneurship

Grades 9-12

Program Options: Student Event (in-person)

World of Choices prepares youth for the future of work by providing students with learning opportunities to build transferable skills and explore career paths.

JA Canada is partnering with Colleges and Institutes Canada to host Skilled Trades Summits across the country. By providing a hands-on experience, students will enhance their understanding and knowledge of skilled trades as a meaningful and fulfilling career path.

### Learning Experience Highlights of a Skilled Trades Summit Event

- Learn about diverse opportunities in the trades sector and the training, experience and education required for various trades careers
- Understand the in-demand opportunities in manufacturing, construction and mechanical trades
- Learn the importance of transferable skills and how to develop them
- Develop skills through hands-on immersive learning experiences facilitated by college instructors in learning labs
- Participate in a practical career planning exercise
