WORLD OF CHOICES EVENTS

CALL FOR VOLUNTEERS

Work Readiness | Entrepreneurship for Grades 8 to 10

Students learn from inspirational speakers and participate in small group discussions with passionate career mentors. Each event includes a feature on skilled trades opportunities.

Learning Experience Highlights of a World of Choices Event

- Recognize how transferable skills including communication, creativity, digital literacy, adaptability and financial health can enable career success
- Explore potential career pathways including opportunities in skilled trades categories (construction, manufacturing, automotive, and more)
- Be empowered to succeed in designing a career path
- Discover educational and training opportunities

Join Our World of Choices Community

We are looking for volunteers to join us as Career Mentors.

If you are involved in automotive, construction, manufacturing, and/or service we need you to join us for **one of our three - 3 hours events** providing students in grades 8 through 12 a strong mentor connection. As inspirational volunteer mentors you'll have the opportunity to connect through one-on-one conversations and round table discussions, with students, empowering them to learn about potential career paths and setting them on a path to develop their skills.

Showcase the unique aspects of your role and encourage students to explore it further by spending a morning, in-school, with other trades professionals during these sessions:

- Rocky Lake Junior High, Bedford, NS – April 28 - 22 to 30 skills career mentors required to work with approximately 300 youth
- Baddeck Academy, Baddeck, NS – May 8 - 10-12 skills career mentors required to work with approximately 125 youth
- Graham Creighton Junior High, Cherry Brook, NS – May 28 - 14-20 skills career mentors required to work with approximately 200 youth

Register as a volunteer by contacting Julie Coutinho at jcoutinho@janovascotia.ca or by phone at 902-454-4564 X 101.

Visit janovascotia.ca/programs to register and learn about opportunities in your community. Visit jacanada.org to learn about national JA program options for students in grades 3-12.

Register for online programming and bite-sized learning experiences at jacampus.org.
