### Expression of Interest for World of Choices Events

We're excited to offer schools the opportunity to host a World of Choices Career Exploration event! This half-day, interactive experience brings skilled professionals into classrooms to share their career journeys through hands-on learning presentations. Students gain valuable insight into a wide range of careers and pathways while building inspiration for their future.

#### Please note:

- Events will be held during the Spring school terms.
- Each school is required to have minimum participation of 90 students
- Preference is given to Pathways, O2 and Co-op classes however, to meet the student participation minimum all students are welcome
- If your school is not selected, you'll be placed on a waitlist for future opportunities
